

**PRESS RELEASE  
FOR IMMEDIATE RELEASE**

**CHALEUR REGION ART EXHIBITION  
AT THE REGIONAL SERVICES COMMISSION**

Petit-Rocher, February 16, 2023 - The Chaleur Regional Service Commission is pleased to invite you to its Chaleur Region Art Exhibition. For the occasion, the CRSC offices will be transformed into an exhibition hall and will open its doors to the public on Thursday, February 23rd, starting at 8:30 a.m. Numerous door prizes, including a paddle board, will be offered to the public by raffle at the end of the day.

The purpose of this "open house" is not only to introduce the artists of the region, but to introduce the new services offered by the Chaleur Regional Service Commission.

"With local governance reform, the government has expanded the mandate of the RSCs. To this day, I think many are unaware of the services we offer. We want this event to encourage people to come and meet us, to let them know that we are here and how we can help them. We also want our community to be proud of the treasures it holds," explains Jocelyne Hachey, Chief Executive Officer of the Chaleur Regional Service Commission.

The Commission will take this opportunity to launch the new logo of the Economic Development Office, one of the new services offered in its offices: "Our office has an important role to play in the future of the region as our mission, ultimately, is to improve the prosperity and quality of life of all our citizens," explains Shirley de Silva, Director of Economic Development and Tourism at the Chaleur Regional Service Commission.

The exhibition promises to be quite extraordinary. No less than twenty artists will present their most beautiful work.

Following this "open house", the exhibition will remain open to the public until Thursday, March 23rd, 2023, during the regular business hours of the Chaleur Regional Service Commission, Monday to Friday, from 8:30 a.m. to noon and from 1:00 to 4:30 p.m.

The Chaleur Regional Service Commission would like to acknowledge the financial support of the Regional Development Corporation, the Port of Belledune and UNI Financial Cooperation.

Everyone is invited!
